Manual

The following are the specifics regarding meetings from the previous chairperson. As you can see there is a meeting this week, however not for you to worry about. I anticipate I will have the 2009 itinerary at the convention, but this will at least give you some understanding of the timeframes and the contact person.

Meeting were held in Sept and Oct. The next meeting will be on January 14th at Carrow's Restaurant in Hayward. There will also be meetings in Feb and April. The contact person is Robert Noilte at 209 669-6837. He will be sending me the iteneray (sp) so I can give my report for Oct, Nov and Dec.

Regards

Breck

Hello Manual

I am hoping this email will find you well and that you had a great holiday with family and friends.

As we approach the Cabrillo State Convention, there are positions that need to be chaired for 2009. I consider you and your wife to have a strong passion for your heritage and desire to see the Cabrillo Organization prosper and it is these reasons I believe you and your wife to be the perfect individuals to chair the Portuguese Immigration Week role for 2009. The responsibility would include attending several meetings in the bay area during the spring and fall and represent Cabrillo. Then report back to the state during regular board meetings and convention.

I will forward more details to the exact time and place of the meetings and person to contact.

Looking forward to your consideration
