

CABRILLO TIPS

State President's Message

Fellow Cabrillians,

I wish to thank each of you for all your hard work and great support during our last State Board Meeting. Statewide Cabrillo Civic Clubs awarded 175 Scholarships to deserving students of Portuguese descent. I have had the privilege of attending several of the Subordinate Clubs during their Scholarship events and watched these students accept their well deserved awards. It is great to hear these students share their plans of further education and their goals for the future.

I'd also like to thank each of the Subordinate Clubs that I have visited for the great hospitality, the wonderful food, but most of all, for all of your hard work and dedication to our organization. Your continued hard work and commitment at your local clubs and communities through Civic Affairs, Membership, Scholarship, Americanization and All Sports make us all a stronger organization Statewide.

In addition it has been an honor and a privilege to represent the Cabrillo Civic Clubs of California at the Portuguese Festa Parades, the Dia de Portugal event in San Jose and the Luso/S.P.R.S.I. Convention in San Diego.

The year is not yet over and we still have a lot of work ahead of us, so I look forward seeing each of you at our October State Board Meeting hosted by Kings County.

Thank you all for your support;

Scott J. Costa
