## Scholarship

*Dulcie Nunes  
Scholarship  
Chairperson*

Hi everyone

It is hard to believe that we are in June, already; it seems it was just yesterday that it was the beginning of the year where I was busy contacting schools to notify them of the Cabrillo scholarships available to graduating seniors of Portuguese descent.

The work continued by publicizing in Church Bulletins, Newsletters, Newspapers, Chamber of Commerce, Television and Radio when possible. In April we traveled to Sacramento for the screening of more than 200 Scholarship applications from high schools throughout the state of California, 158 scholarships @

\$500.00ea were awarded 26 of those scholarships were awarded to students from Tulare and Kern County schools, which is the area our club encompasses.

In the month of May, I had the pleasure of meeting the students and present them with their certificate of Merritt, to watch the happiness and smiles on their faces makes it all worthwhile, these young men and women are our future. With the cost of education on the rise, is the reason I will continue to encourage everyone to support this most worthy program.

### Greetings Cabrillians

Members of Cabrillo Civic Clubs throughout California are dedicated to "the civic progress of Californians of Portuguese descent" in memory of our compatriot, John Rodrigues Cabrillo,

discoverer of California on September 28, 1542.

That is why as members, we give countless hours in community service in churches, hospitals, schools, civic and fraternal organizations.

We also take pride in the donations made to charitable organizations, not only in hours of service, but money raised and donated.

Please help us celebrate the contributions we make. The most important way you can do that is by sharing with us the number of hours you volunteer each month. Each hour counts, please share yours with us!

In the first quarter of this year we recorded a total of 2,210 hours and \$4,450 dollars donated to 10 organizations.
